WOW! What a lot of house for the money and in like new condition, located in one of the best school zones in town, and ready to move in! This great home features almost 4000 square feet, 5 bedrooms and 3.5 baths with a master suite located on the main level! Much of the main level is adorned with hardwood floors and this home was loaded with upgrades when it was built. The aforementioned master suite has a sitting area with fireplace and gas logs, tray ceiling, heavy moldings, a full bath with dual vanity, granite counters, separate garden tub with accent tile surround, a separate tile shower, separate water closet, and an enormous walk in closet with his and her sections. The fabulous kitchen and great room connect as one large space and provide features that include granite counters with tile back splash, stainless appliances (including built in microwave), a huge center island with tulip lighting and bar seating, hardwood floors, recessed lighting, and heavy moldings. The sun roo...
