The Vail is a 4-story with rooftop sky terrace on 4th story. The first-floor entrance opens into a spacious flex room with stairs leading up from the foyer to the open-concept core of the home. The two-car garage and 1st floor flex room are also accessed from the ground floor. On the second level, the gathering room, dining room and gourmet kitchen are seamlessly aligned with additional living space available outdoors on the deck, which is accessed between the kitchen and the walk-in pantry. An adjacent powder room is available for the homeowners and visitors. The top floor features all 3 bedrooms, including the well-appointed owner's suite, plus the laundry room and secondary bathroom. Features of this home include: • 1st Floor Flex Space • 2 Car garage with extra work space and a pre-plumb for future bathroom or sink • Tray Ceiling in the Owner's Bedroom • Valet off the garage entryway • Gourmet Kitchen with slate cabinets and a 36" gas cooktop • Home Management off the kitchen • ...
